

Ledaa @ International Accountancy

CIMA PROSPECTUS

### **International Courses**

## **Chartered Institute of Management Accountants**

#### Why CIMA?

CIMA course qualified personnel have an extensive strategy in business compared to their non-CIMA qualified counterparts. They involve more management accounting techniques. This qualification enables to take up jobs within and outside the financial sphere. There is equal emphasis given to management and accounting; thus making it wider in scope.

CIMA members are qualified to engage in a wide variety of activities like Project Finance, Management Accounting, Financial Analysis, Forensic accountancy, business analysis, etc

#### Who should do CIMA?

Any graduate or undergraduate, who is good in mathematics and wants to make a global career in Financial Accounting & Business Analysis, should do CIMA course. CIMA accountants are held in high esteem and are in great demand because of their strategic and managerial focus, as well as their broad skill-set.

#### **Eligibility**

Completion and passing of 12th exams

(Course Fee: Per Paper - 25,000 / -Total Fees - 3,00,000 / -Registration Fees -  $\begin{cases} 1,75,500 - \\ 1,85,000 / - \end{cases}$
