## Overseas Studies

LEDAA Overseas Education Consultants, a young company run by professionals, is committed to delivering unparalleled choice of higher educational institutes and very high versatile advice on your higher education & career and help secure your future.

### What we do

Amongst variety of uncertain variables, we stand by you to choose the best of the university and we promise you choosing the ventilated institutes that can stimulate your learning appetite. Our service quality is marked by transparency in the list of institutions we deal with.

Students who wish to go abroad have many choices, these days. But many of them end up taking courses that are not suitable for them or end up in institutions that are not worth going to. Reason? Lack of proper guidance!... Most the consultants give you the choice of institutions where they can earn money from... we are a little different and we provide the ones that can offer your lucrative career ahead.

## Placement Training

LEDAA in campus placement training has been training students for more than a decade on excelling at campus placements; thereby paving a way that leads to top organizations. After working closely with students belonging to different parts of the country, professionals at LEDAA are aware of the problems that students face while sitting for campus recruitment tests. And “LEDAA” is an endeavor to resolve all such problems effectively.

LEDAA is a unique institute where students can find placement papers with answers; updated patterns of examinations, interview questions asked at top notch IT companies and mock tests. To keep students updated with latest happenings in the IT sector, latest news is shared on the portal itself. Campus recruitment training is not limited to written tests; it also includes group discussion and personal interview. For the shining future of students in the IT sector, LEDAA also includes GD topics and tips on how to outshine competitors.

All in all, LEDAA is the institute of every student can take help of to realize their dream of getting a job in the best IT organizations in the country.
