Business consultancy

A consultant is a professional who provides professional or expert advice in a particular area such as security (electronic or physical), management, accountancy, law, human resources, marketing (and public relations), finance, engineering, science or any of many other specialized fields.

LEDAA consulting mission is to advise enterprises on how to understand, develop and execute smart content marketing strategies. Our consulting and advisory practice focuses on combining independent and pragmatic thinking across a wide array of marketing expertise. The biggest benefit by engaging LEDAA directly is that you have access to the collective knowledge of the leading minds in content marketing today – without the overhead of a huge consulting firm.
